

# If Inclusion Means Everyone, **WHY NOT ME?**

## Report Release Event

Community Living Ontario, ARCH Disability Law Centre, Brock University, Western University, Inclusive Education Canada, and the Brockville District Association for Community Involvement invite you to the launch of a report on the status of public education in Ontario for students who have intellectual disabilities.

This report is the culmination of a project designed to identify barriers that students who have intellectual disabilities face in the education system and to prompt governmental action to address these barriers.
